

Mikuni carb parts drawings

The following carbs have drawings with individual items shown, just click on the carb name to view the drawing.

[VM roundslide carb](#) -- [TM flatslide carb](#) -- [TMX carb](#) -- [HSR flatslide carb](#) -- [RS radialslide carbs](#)

Most parts are available for all aftermarket model Mikuni carburetors. This is not the case for 29mm and 33mm smoothbores that went out of production many years ago, but most gaskets, jets and needle and seats are still available.

The different pilot, main and air jets can be seen here [.....go to jets](#)
